Message from the Principal

Dear Parents and Carers,

As we reach the end of Term 1 it is nice to reflect and celebrate a successful start to 2024. The beginning of a school year is often busy but also exciting as we move into new classes. Our students showed great resilience and growth mindsets as they made new friends, got to know their new teacher and took up the challenge of new learning. Students K-6 have worked hard in their new classes, and I hope you can join us for the integrated learning show case in Week 2 next term.

This term I have also enjoyed the opportunity to get to know families and work with our community to implement initiatives. I am looking forward to next term where we can meet more regularly and discuss our strategic improvement directions for the year. Please keep an eye on the newsletter and School Bytes for further details about how we can work together to help our students achieve their learning and wellbeing goals.

I hope you have a great last week of school and a nice holiday break with family and friends.
