Message from the Principal

Dear Parents and Carers,

It has been a busy fortnight at LPS with Stage 2 Taronga Zoo excursion, debating, Pyjama Day and a S.T.A.R.S excursion to Circular Quay. Our school also participated in external validation on Thursday. This NSW Department of Education process involves our staff reflecting on learning, teaching and leading practices at our school. Feedback during this review was extremely positive confirming the LPS school motto "Excellence in Practice".

The last two weeks of term are also very busy with the athletics carnival and People Who Believe In Me meetings. Kids 4 the Planet is also being held in Week 9. This is the seventh year of this exciting event at LPS and we are looking forward to seeing Stage 3 students participate in STEM, writing, video and public speaking challenges with an environmental theme.

Every Day Matters

It is important that your child is at school before 9am. Being at school on time helps your child develop friendships and ensures they do not miss important learning. Every minute counts!

If you have any questions about medications at school, please see the office.

Reports

Reports will be sent home on Wednesday Week 10. This is a great time to celebrate your child's success so far this year. Next term in Week 2 you will have the opportunity to discuss your child's report with the classroom teacher at Learning conversations.
